HHS, OPM, SSA and the VA are shown separately because the bulk of their requests come under both FOIA and the Privacy Act from individuals seeking personal records. Most do not require discretionary decisions of the agency on whether to release the documents and are automatically and quickly granted. **Other** lists the number of requests rejected for reasons unrelated to the exemptions, such as failure to front processing fees, no records found, requests referred to other agencies, and withdrawn requests.

HHS, OPM, SSA and the VA are shown separately because the bulk of their requests come under both FOIA and the Privacy Act from individuals seeking personal records. Most do not require discretionary decisions of the agency on whether to release the documents and are automatically and quickly granted. **Other** refers to the total number of requests rejected for reasons unrelated to any exemption, such as failure to front processing fees, no records found, requests referred to other agencies, and withdrawn requests.
